PRESIDENT'S MESSAGE

March 21st 1966

This being my last message to you as your president, I want to again thank all of you who have been so considerate and thoughtful of Rose during her illness. Your good wishes, letters and cards have meant so very much to both of us.

Recalling the joys and pleasures of last year's convention, we now look forward to the next one coming up June 17th through the 19th in Fort Lauderdale, and urge everyone who possibly can attend, to be making their plans for the largest attendance of any Hibiscus Convention ever held.

Jimmie has all the information, and has worked out schedules for each day that provide the maximum enjoyment for minimum effort. Just join the crowd, and drift along through three days of entertainment, enlightenment, and eats. Calories forgotten during the convention.

Of course you know I deeply regret the reason for my inability to actively participate in the Board Meetings of this year, and I feel my indebtedness to each officer, board member and committee chairman for so efficiently meeting your responsibilities under the guidance of our First Vice President, Mr. Philo. Thank you, Ralph.
